Thanks And Thoughts

From a Family in North Carolina: I want to say a BIG THANK YOU AGAIN! My family is so very thankful for our very own shawls. Coming from so many various states mostly w/ hand written notes so neatly written. With the most beautiful colors. Though this was for the loss of my Army Son SPC Gage STRONG it's been heartfelt warmth shared from each individual that made these and mailed each one out so perfectly. GOD BLESS YOU ALL, Our Service members & this Country.

From a Sister in California: Thank you for your sympathy letter and thank you for reaching out to our family during these times.

From a Daughter in California: Thank you so much.

From an Aunt in North Carolina: Thank you and God bless.

From a Mother and Sister in California: Thank you for your support.

From Parents in New Mexico: Thank you so very much for the service you all are doing, for the comfort, the kind words and the prayer shawls you send to the families of servicemembers who got killed. There is more "good" than "evil" in the world. We believe our son is in heaven now and that he is very happy. The shawls my husband and I got are so comforting and it feels so good when we sit at night on our back porch and I wrap the prayer shawl around me and I'm thinking of my son and his untimely death. We miss his phone calls. We miss his laughter and his humor. Thank you so much for your kindness. May God bless you all.
